

PLEASE TAKE NOTE

- Most programs and hikes are free, but some properties charge gate fees.
- Hikes are held regardless of weather. In case of thunderstorm or other unsafe conditions, the Lake Monroe boat trip may be rescheduled.
- Although our hike leaders are knowledgeable, field guides are always helpful.
- Bring drinking water and a sack lunch or snacks, especially if you plan to participate in one hike after another.
- Remember: our parks, nature preserves, reservoirs, historic sites, and wilderness areas are protected. "Take nothing but pictures, leave nothing but footprints."
